Videos

Access

Collection is open to all researchers. Access to Barack Obama Presidential Records is governed by the Presidential Records Act (PRA) (44 USC 2201) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of Barack Obama’s presidency are holdings of the Barack Obama Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed by

Staff Archivists, 2022. Previously restricted materials are added as they are released.

Scope and Content Note

The materials in FOIA 22-17560-F are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 22-17560-F requested video of the Twitter Q&A President Obama did from his account while in Florida on May 28, 2015.

This FOIA primarily contains footage shot by the White House videographer of President Obama during the Twitter Q&A.

System of Arrangement

The materials in FOIA 22-17560-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Records responsive to this FOIA were found in these collection areas – White House Communications Agency. White House Communications Agency records are processed at the folder/videotape level. While this method maintains folder/videotape integrity, it frequently results in the incidental processing of videotapes that are not wholly responsive to the subject area
