System of Arrangement

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by Obama administration staff. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as the White House Photo System.

The photographs are a subseries of a larger series, which includes all photographs taken by White House photographers during the Obama administration. This subseries is arranged chronologically by the photo identifier (P number), which is formatted as PMMDDYYXX-####:

- P (for Presidential photographs)

- MMDDYY (Date of image capture)
- XX (Photographer’s initials)
- [dash]
- Frame number
