Scope and Content Note

The materials in FOIA 22-21458-F.4 are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 22-21458-F.4 requested all raw video footage shot by White House Videographers Arun Chaudhary, Hope Hall, and any other official videographer working in the White House during the Obama Administration.

This segment of the FOIA primarily contains footage shot by the White House videographer on January 20, 2009, including of the crowd before the Inauguration and of the Inauguration parade.

System of Arrangement

The materials in FOIA 22-21458-F.4 are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Records responsive to this FOIA were found in these collection areas – White House Communications Agency.

White House Communications Agency records are processed at the folder/videotape level. While this method maintains folder/videotape integrity, it frequently results in the incidental processing of videotapes that are not wholly responsive to the subject area.
