Scope and Content Note

The materials in FOIA 24-58885-F are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 24-58885-F requested all photographs taken at President Obama's event at Penn State University on February 3, 2011.

This FOIA primarily contains photographs of President Obama and Energy Secretary Steven Chu touring the Engineering Labs and participating in a Youth Engagement Roundtable at Recreation Hall; President Obama delivering remarks on innovation; and travel to and from Penn State University in State College, Pennsylvania on that day.

System of Arrangement

The materials in FOIA 24-58885-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Obama Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by Obama administration staff. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.
