Staff Archivists, 2025. Previously restricted materials are added as they are released.

Scope and Content Note

These materials are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

NGC21-003.2 requested materials related to records mentioning Executive Order 13526 § 1. 7 or § 1.8, or any subsection thereof.

This case primarily contains correspondence, investigative materials, news articles, notes, reports, and working papers. These materials are from the Interagency Security Classification Appeals Board (ISCAP) files and consist of materials related to classification appeals and mandatory declassification reviews received by ISCAP on prepublication reviews, military handbooks, military information disclosures, and case files of classification challenges that were presented to the panel.

It should be noted that many of the documents in this FOIA have been closed due to National Security classification and/or exemptions of the Freedom of Information Act.

System of Arrangement

The materials in NGC21-003 are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials. Documents responsive to this FOIA were found in the Interagency Security Classification Appeals Panel (ISCAP) collection.
