Access

Collection is open to all researchers. Access to Barack Obama Presidential Records is governed by the Presidential Records Act (PRA) (44 USC 2201) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of Barack Obama’s presidency are housed at the Barack Obama Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed by

Staff Archivists, 2025. Previously restricted materials are added as they are released.

Scope and Content Note

The materials in FOIA 22-18632-F are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 22-18632-F requested materials related to records on any and all communications documents to include but not limited to, call logs, communications, visitor logs, text messages, notes, meeting minutes, transcriptions, etc. with Jeffrey Epstein and Ghislaine Maxwell.

This FOIA primarily contains correspondence and visitor logs.

Upon re-review of these records in response to an administrative appeal, all 156 electronic records have been determined to be unrelated to Jeffrey Epstein (deceased former financier and convicted criminal; DOB: 1/20/1953). These materials relate to another individual with the same name of Jeffrey Epstein with a different birthdate and Social Security Number.

System of Arrangement

The materials in FOIA 22-18632-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Obama Presidential Electronic Records

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by Obama administration staff. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House’s electronic systems, EOP-ERA also contains records from the home

and shared drives used by White House staff.
