Scope and Content Note

The materials in FOIA 22-18402-F.2 are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 22-18402-F.2 requested audiovisual communications between President Obama and Dr. Anthony Fauci, the NIH, CDC, or National Institute of Allergy and Infectious Disease.

This segment of the FOIA primarily contains footage of President Obama touring and delivering remarks at the National Institute of Health campus in Bethesda, MD, on December 2, 2014.

System of Arrangement

The materials in FOIA 22-18402-F.1 are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Communications Agency.

White House Communications Agency records are processed at the folder/videotape level. While this method maintains folder/videotape integrity, it frequently results in the incidental processing of videotapes that are not wholly responsive to the subject area.
