Scope and Content Note

The materials in FOIA 24-17944-F.2 are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 24-17944-F requested any rushes, additional video that was not edited, or without music from the video Making History: President Obama's New Approach to Old Adversaries, released on the Obama White House YouTube channel on December 9, 2016. The requester narrowed the request to videos showing travel to Cuba on March 20, 2016, and all videos in Cuba from March 22, 2016.

This FOIA primarily contains footage of travel to and arrival in Cuba. Footage from March 22, 2016, includes the Obamas attending a baseball game between the Tampa Bay Rays and the Cuban National Team, President Obama participating in a sketch for the television show Panifillo, and the departure from Cuba.

System of Arrangement

The materials in FOIA 24-17944-F.2 are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Communications Agency.

White House Communications Agency records are processed at the folder/videotape level. While this method maintains folder/videotape integrity, it frequently results in the incidental processing of videotapes that are not wholly responsive to the subject area.
