Scope and Content Note

The materials in FOIA 22-60128-F are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 22-60128-F requested materials related to documents from the White House Military Office and the White House Chief of Staff re: preparations and planning including advance teamwork for President Obama’s May 2016 trip to Hiroshima, Japan.

This FOIA primarily contains email correspondence related to the planning and logistics of President Obama’s trip to Hiroshima, Japan in May 2016.

System of Arrangement

The materials in FOIA 22-60128-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Obama Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by Obama administration staff. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House’s electronic systems, EOP-ERA also contains records from the home

and shared drives used by White House staff.
