FOIA 22-23024-F requested communications between President Obama and his staff and Tim Cook, Mark Zuckerberg, and Sheryl Sandberg. Videos showing Zuckerberg and Sandberg have been previously released.

This FOIA primarily contains footage of Tim Cook speaking at the White House Summit on Cyber security and Consumer Protection at Stanford University on February 13, 2015. Other parts of the Summit are included in the video.

System of Arrangement

The materials in FOIA 22-23024-F (segment 1) are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas - White House Communications Agency.

White House Communications Agency records are processed at the folder/videotape level. While this method maintains folder/videotape integrity, it frequently results in the incidental processing of videotapes that are not wholly responsive to the subject
