Videos

**Access**

Access to Obama Presidential Records is governed by the Presidential Records Act (PRA) (44 USC 22) and the Freedom of Information Act (FOIA) (5 USC 552 as amended) and therefore records may be restricted in whole or part in accordance with legal exemptions.

**Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

**Processed by**

Processed by Staff Archivists, 2026.

**Scope and Content Note**

This contains footage shot by the official videographer of President Obama's trip to Cape Canaveral, Florida, on April 15, 2010.  Footage includes the trip to Florida, the President meeting with NASA officials, and delivering remarks at a space conference.

There is footage of Buzz Aldrin accompanying the President on the trip. The footage from the SpaceX tour was released through FOIA 22-16594-F.

(Videos were processed under the Library internal tracking number 23-00028-P.)

**System of Arrangement**

Records responsive to this topic were found in these collection areas – White House Communications Agency.

White House Communications Agency records are processed at the folder/videotape level. While this method maintains folder/videotape integrity, it frequently results in the incidental processing of videotapes that are not wholly responsive to the subject area.
