Scope and Content

The materials in FOIA 22-26844-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 22-26844-F requested materials related to all records regarding, concerning, or related to the January 5, 2017 meeting at the White House between former Director FBI Director James Comey, President Obama, former CIA Director John Brennan, former Director of National Intelligence James Clapper, and others. This request includes, but is not limited to, any and all notes, summaries, briefing materials, or other records created in preparation for, during, and/or pursuant to the meeting, as well as any and all related records of communication between any official, employee, or representative of the Executive Office of the President and any other individual or entity, from January 1, 2016 to January 20, 2017.

It should be noted that many of the documents in this FOIA have been closed due to National Security classification and/or exemptions of the Freedom of Information Act.

An additional portion of classified records related to this request has not yet been processed. Records will be provided as they become available.

System of Arrangement

The materials in FOIA 22-26844-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Office of Records Management (WHORM) Subject Files and Barack Obama Presidential Electronic Records.

WHORM Subject and WHORM Alpha Files are processed at the document level.

The WHORM Alpha File was compiled by the White House Office of Records Management and is a series of documents arranged by name of persons, organizations, or events.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available on our website at www.obamalibrary.gov.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President Barack Obama. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and

Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.

Barack Obama Presidential Electronic Records are a unique segment preserved in an electronic system separate from the Electronic Records Archive (ERA). The records are processed by topic, printed, and filed in folders. Folders are arranged by Search and Access Set and thereunder by date.

Barack Obama Presidential Electronic Records contain electronic records created or received by members of the White House staff, as well as the Commission on Weapons of Mass Destruction. These frequently classified records document the daily constitutional and statutory duties carried out by the Barack Obama administration and include record types such as email, email attachments, Night Notes, and cables.
