Ughhh....

I know we don't know each other that well, however, I hope you know me well enough to know that I would not have minded and hoped you took the proactive approach and used the coffee make for this event. Please feel free to call my cell phone [REDACTED] to reach me.

I turned in my BB and am using my personal cell to access my work emails and synchronization is being worked out.

Hi,

Could we use your keruig and coffee for the event tomorrow? I am making rice krispie treats and cupcakes. I think that people may want to buy some coffee too.

Thanks,
Sierra
