Hi Johnnie: following our conversation and then my intuition, the upcoming campaign actually starts tomorrow, Monday, September 1 thru Dec 15 of this year. [REDACTED] and would like to hit the ground running. As discussed, I have been a key worker for years and am very knowledgeable about CFC. I plan to keep a ledger of accounting for each transaction. As soon as you know who the key worker is let me know and I will keep them in the loop, thanks!

Peg
