Thanks Christy and Daniel. Let's plan to go ahead with an update meeting on 1/21 or 22 whenever it works for Christy. Daniel, we'd love to have you join as well if that makes sense. Can Kenzie, Ella, and/or Zealan please suggest a time?

Happy to meet with all of you when you're here, or we can wait until Brian is back in March. Up to you. I've added Ella to help schedule on my end if you're interested in a CEQ meeting.

Thanks Mike. Brian is actually out of the office [redacted] in January and February. I am adding Kenize Huffman on Christy's team and Zealan Hoover who has taken over my role in Brian's office.

Dear Daniel,

On behalf of Jane Lubchenco, Laura Cantral, and myself I'd like to request a meeting with Brian Deese and Christy Goldfuss as well as other White House team members as appropriate to discuss the possibility of marine national monument designations. Jane, Laura, and I will be convening our coalition of ocean NGO leaders for a lengthy meeting on Thursday January 21, and would appreciate the opportunity to update you on the ocean NGO community's thoughts and goals for action in 2016.

The best time windows for our group would be late afternoon of Thursday 1/21 (after 4:30 PM) or from 9 - 10:45 AM on Friday 1/22. Alternatively, Jane will be back in town on February 10-11 and we have time available on either of those afternoons.

Thanks for your consideration, and I look forward to hearing from you.

Best,

Mike Conathan
