Barry,

I'm wondering how Larry Sinclair is doing, who is reported to be your homosexual lover. I'd like to know this, under the freedom of information act. Also, I heard you and Larry were enjoying the services of a man while you were being chauffeured in the back of a limo some years back, and it was video'd. Pastor Manning believe this story about you and Larry-boi to be true, and he's openly preaching about it.

Any chance of sharing this with FOX News? If it isn't true, then you can deny it here and now. However, if you ignore this request and do not at least deny it, then I think there is some definite validity. It's kind of like Tricky Dicky (sorry about the pun) saying: "I'm not a crook!", isn't it?

Ron
