Subject: OBAMA doesn't CARE

Obama the high yellow negro
Had a very shinny ho
And if you ever saw it
You would even say its so
All of the other lib-re-als
Used to laugh and call him names
They never let poor Obama
Play in any politico games
Then one foggy Chicago eve
Larry Sinclair who's gay
Said "Obama with your ho so bright"
"Won't you rub my wiener tonight"?
Then how the media loved him
As they shouted out with glee
Obama the high yellow negro
You'll go down in history
