How about a dig-up-dirt line on the circumstances of YOUR not-yet-brought-to-justice criminal record? Yes, we should have a dirt-line on Martin as well as Zimmerman to see if Martin was as much a criminal as you. Equality rights you see.

- (1) The circumstances surrounding your criminal birth certificate forgery and the facts of the perinatal time stage of your life (Sheriff Arapaio et al)
- (2) The circumstances around your criminal deposition re no prior names for entry to the Illinois Bar and the role of lawyer Ms Michelle Robinson in the criminal coverup.
- (3) The circumstances of being a hard drug dealer with your homosexual partner Larry Sinclair.

Then you can write that story for J Negro Ed at Howard U on the superiority of Negro Justice. On how 6 brown jurists male/female from Brown Bison U could have given a superior judgement over those 6 whitish women in Florida because of their skin colour which pre-ordains them to racial-judicial-superiority of their profile.

It might point to additional reasons why Martin used racial epithets and provoked hand-to-hand fighting with a non-Negro policeman, eg thinking perhaps he could beat the snot out of the CRACKER and perhaps MURDER him.

For example, will the Carson-Hannity peer-reviewed article for Howard U's Journal of Negro Education comment on the equality of "NIGGER" and "CRACKER" and further to that, can we have a scholarly Dr Quackhammer commentary from Fox TV on whether "Nigger Thinking Outside The Cracker Box" can solve this problem?

May I suggest that you organize a Million Negro March to New Liberia?

Chief Stan's agents (Nappy and Nappy) of the CIA (Chinese/Canadian Intelligence Agency) would like to sell you a homeland security stan plan, aka a "reservation".

Then you can be "free at last".

Dr. Carson and Hannity would be great co-authors for a scholarly survey and commentary on the judicial-racial profiles of 6 randomly chosen jurists (Bisons and Lady Bisons) from Howard U.

I suggest that you take a random and representative Howard U sample of men and women and then draw 6 at random from them with choices of 1st degree, 2nd degree and 3rd degree murder against Zimmerman (no other choices are acceptable to Negroes because Negro justice is not the same as non-Negro justice).
