Subject: Re: List of Obama's visiting suck-ups

Just one final observation herein: our nation is in such disarray 08-28-08 - TODAY, due to **mass misbehavior on the part of our so called tax-taking oath-taking "leaders"**, that Donald J Trump will have to be part-Washington and perform as Commander-in-Chief with our military, be part-Jefferson to write effectively with the full impact of the written word and also be an technical architect of a **Wall of Sovereignty** along our 2,000 mile border with Mexico, be part-Lincoln and debate convincingly to keep all 50 states from further

divisiveness or secession, and be part-Teddy Roosevelt to be in our face to lead us to enhance our nation's infrastructure and carry a big stick that, if swung, will crush any opponent of our God-guided Golden Rule Constitutional Republic!

If Donald J Trump can **MAKE AMERICA GREAT AGAIN** and maintain his health, his humor, his focus et al, and avoid a Sirhan-Sirhan-like assassination, **THEN DONALD J TRUMP SHOULD EARN A PIECE OF THE ROCK WITH HIS BUST SCULPTURED ON MOUNT RUSHMORE, EVEN WITH HIS HAWAII FIVE-O SURFIN' USA FRONTAL HAIRDO SWEEP, DON'T YOU THINK!**

Donald J Trump can retire and live a life of luxury, *but has chosen to LEAD America instead*, with all its frustrations and risks to limited personal health. For this life choice in our lifetimes, Donald J Trump is a charitable Christian male-warrior:

*Charity and greed are contagious,
Yet charity is by far more courageous!
It can lift away selfishness and enlighten the
soul;
Charity rewards perpetual dividends to the
generous!* - J Mooers 2004

Gabe and others,

I wonder how many of the male visitors herein were blowboys for BO[ZO]? Some herein likely gave "lip service" to our low life ID Thief-in-Chief Soetoro-Obama, ya think? Someone should check out their proven sexual preferences.

I mean, our muslim-Marxist pres grew up **sucking cock for coke** according to Mia Pope (Obama's teenage acquaintance in Hawaii), so, like Bill Jefferson "BJ" Clinton and Monica-

semen in the Oval Office, why not sodomy-sex in the un-natural-rainblow fag-flag-colored White House... a morally-perverted Blight House 08-28-08- TODAY?

I am ashamed of many so-called Americans, particularly most ungrateful African-unAmericans, who supported this POS POTUS 08-28-08- TODAY; there is apparently no level too low for this half-breed muslim-Marxist HOMObama to dive for...including **sucking cock for coke**.

Sorry, if my comments herein are so off-color, but they are only intended as observations of reality...lest we make the same mistake again in allowing immoral Nancy Pelosi-types to *choose* covered-up candIDates for 320,000,000 Americans to suffer under...to replace Rule of Law with raw politics while willfully engaging in **Constitution prostitution** under oath...and that is exactly what occurred on 08-28-08, a day which will live in infamy. ><http://canadafreepress.com/2009/williams091209.htm><

Since 08-28-08 US House Speaker and Rep. Nancy have perverted our sacred US Constitution by deciding that 320,000,000 Americans will be robbed daily of their inalienable right to know the *full identity* of any presIDential candIDate and any incumbent presIDent, including the robbery of the full presIDential knowledge of ID Thief-in-Chief Soetoro-Obama (and natural born

Canadian Rafael Cruz) via Congress-
