Fuck the cameras, the attention, all I need is my money so I can take care of my five children.

I emailed you January 2009 you had me kidnapped to a psych ward,showed up there,had my daughter raped and tried to steal 68% of more than trillions of dollars you bitch

I emailed you January 2009 you had me kidnapped to a psych ward,showed up there,had my daughter raped and tried to steal 68% of more than trillions of dollars you bitch.

I never wanted to meet your faget ass, your fucking Reggie Love, and killed Donald Young because he tried to expose your affair and you jailed Larry Sinclair who gave you a blow job while you were Senator in Illinois and you killed a 13 year old in Chicago probably behind another same sex cover up of yours. !Kill Yourself!
