**Subject:** Polygraph testing of Larry Sinclair while laying on a Donald Trump "best of the best" mattress

In reference to Trump's BRICK tv ads showing here. Could sell a lot of mattresses, especially if Larry's rival Michelle Robinson also does polygraph testing this way.

How about this as a polygraph question:

Have you ever screwed the US president on a Trump mattress?

Sounds good to me, in fact put all political persons who give a speech on polygraph as they talk and answer questions.

For the sake of Canadian and Free World security, why not do the polygraph testing?

What about Larry Sinclair who claims both to be true from his time of being BO's "lover" and fellow street druggie (from which he was apparently rescued by Michelle Robinson and her Chicago Law Firm plus the Ayers using Saud family funding).

Wouldn't you like Donald the billionaire to pay for polygraph testing by "the best of the best" in the business?

If Larry passes, it is all over for BO. The whole plot of sedition and treason against the Free World and America will unravel faster than you can say Sheriff Joe.

I believe boo is a criminal toward America, but as for being a crack head and gay well that is really going a bit far.

That is in the script of "Barry and Larry do America" alright. Also, how the Michelle Robinson law firm and the Ayers in Chicago used Saud money to plot treason and subversion against America and the Free World using these two morally filthy, black and a white nigger street whores and later bought Harvard law school for the same purpose.

What an imagination that script writer has. Next you will see it on a new tv show which is sort of a merger of NCIS-Hawaii5O-Person of Interest-American Dad.

But will the famous actors, Beavis and Buttthead agree to star in the new movie and tv series?
