UH-OH! MORE STORIES ON YOUR PERVERT DREAMERS COMMITTING MORE
CRIMES IN AMERICA--YOUR SONS, NO DOUBT--HERE'S JUST ONE SAMPLE FROM
SEATTLE:

"By KIRO 7 STAFF

SEATTLE — After digging through hundreds of ZIP codes, KIRO 7 found 11 convicted sex
offenders in the country illegally living across western Washington neighborhoods.

The government has tried to deport most of these people, but a Supreme Court ruling requires
they be released after six months in jail, if their home country won't take them back.

KIRO 7 obtained sources through the Senate Judiciary Committee: a list of every ZIP code in
the country that some offender called home at the time of release.

In the Seattle area, sex offenders who are undocumented were dropped off from Tacoma to
Bellingham. See a map and list below for a breakdown."
