**Comments: DO YOU CARE TO TELL US HOW YOU REALLY FEEL ABOUT YOUR HUSBAND's HOMOSEXUAL ENDEAVORS? OR WHAT WAS YOUR INVOLVEMENT OF THE MURDER OF DONALD YOUNG?**

Michelle,

I am sending you this fax after giving you almost a year to respond to the letter providing you the description of your lying husband's genitals. Michelle, I am wondering how you feel making the statement "How can you run the White House, when you can't take care of your own house..." during the campaign referring to Bill Clinton cheating on Hillary, when you sit back in the White House with full knowledge your husband cheated on you with other MEN?

How does it feel knowing that forever in time you too will wonder when the day will come that your daughters are asked about Barack cheating on their mother with other men? You, know like the day during the 2008 campaign that your husband had Chelsea Clinton asked about Bill's affairs!!!!

Tell me Michelle, how does it really feel to know that your husband had to turn to other men for satisfaction that you could not give him? Did/does it make you angry enough to want them dead? What exactly is your involvement and/or knowledge in the murder of Donald Young (your husband's dead lover)?

Don't worry Michelle, I promise you I will continue to expose Barack Obama for the lying, murdering, closet faggot that you and I both know he is. But you, just like Hillary, will continue to lie and cover for him until you have gotten what it is you want, and then when it finally comes out, you and Barack will go down in history alright, he as the first gay president and you as just another lying, greedy, power hungry woman who couldn't please her husband.

One last question, why have you failed to challenge my description of your husband's genitals?
