P6/b(6)

A male entered the Family Research Council (FRC) at 8th and H Streets NW; he has been taken into custody by WFO. DC police and FBI are on scene. One security guard was shot in the arm. There are no casualties or other reported injuries at this time. The shooter entered the FRC and shouted "I don't like the political views"(sic) and proceeded to shoot a FRC security guard.

The FRC is not a DOD installation, but is frequented by military personnel.
