FBI still trying to determine facts, although it appears that there is an active shooter/hostage situation underway inside the Sikh Temple. Unknown whether there are multiple shooters and how many individuals remain inside the Temple.

Subject: Shooting in Wisconsin

I'm in touch with the FBI about a shooting at a Sikh temple in Oak Creek, Wisconsin that occurred about an hour ago. There are reports that eight to twenty people have been injured in the shooting, including one police officer. Shooter, described as a white male, bald head, heavy build, carrying two handguns, is reportedly still at large. People in the surrounding area are being asked to shelter in place, and local, state, and other law enforcement agencies responding. Will advise further developments.
