Subject: Shooting in Colorado

Mass shooting has occurred at movie theater in Aurora, CO. Fifty-five victims have been reported injured, with fourteen fatalities. The victims have been spread across six area hospitals. The shooting subject is in custody and there is the possibility of a second shooter based on witness testimonials. The subject lives in an apartment complex, and it is believed there are explosives in his apartment. FBI is treating this incident as an active shooter criminal event with no terrorism nexus uncovered so far. Will update.
