Nate:

Sorry for the late reply. I am currently in the UK on a training trip. I can try to reach out to you later, but unfortunately I have no access to secure coms (not near the embassy).

I expect that both [redacted] and [redacted] should be available in Conus to answer HIG questions if you wish to contact them.

Thanks.

Andy – hope you’re doing well. Wanted to touch base with you on something. Are you around this evening and available for a secure call?
