Thanks again for talking about that possibility before your Palau trip – your picture with Pres. Remengesau on Twitter was great.

I haven't heard back from them so I'm not sure if it's a live option, but if you have any other thoughts let me know.

In the meantime, we're working away on some Iraq-Syria ideas and implementing the Christians in the Middle East research.

John,

Hope you are well -

Also would like to give you an update on the work we've been doing on Mideast and the Christians project as well if you're interested.

I'm around - we just canceled our delegation to Israel.
