Hey Mark -

No worries! I'm sorry that I did not respond yesterday to Allison and Olivari's e-mails. We were just working on getting things confirmed.

The Press Charter will go in the early AM on the 27th to Hiroshima. It will then go on to Tokyo on the 28th....and will end there.

Please let me know if you all want to manifest your folks on the Press Charter to Hiroshima.

Thanks!

Ashley :)

Hi my friend,

Good afternoon. I am so sorry to bother you. I know Allison and Olivari touch base with you about the Press Charter. Any word if it will go to Hiroshima? We are working on manning requirements here and trying to determine if we will need to send an extra Preset Crew in case the Charter doesn't go there. Again, I'm so sorry to bother you. Have a great afternoon. :)
