Subject: Denver shooting

Sir -- You may see reporting regarding an incident involving multiple homicides and potential incendiary devices in Denver, CO. The incident took place in a private residence close to a school in Denver, Colorado. Out of an abundance of caution, the school was placed in lockdown, but there is no indication that the incident or the shooting is connected to the school. Police who responded observed a shooter in the middle of the street. When the gunman saw the police, he shot at propane tanks positioned on the street. One tank exploded. The police are searching the area for any additional incendiary devices. The gunman was shot by police and is in critical condition at a local hospital. At the home where the shooting took place police found two female victims: one dead, one injured. Local FBI is engaged but thus far the scene remains in control of local law enforcement. There is no information thus far regarding the shooter's motive.
