Subject: Navy Yard Shooter - Update

Sir – The FBI has set up a command post at the scene; thus far Washington Metropolitan Police is in the lead. There are no confirmed fatalities thus far but initial reports that I have just received from the FBI on scene are that there are several wounded and may be multiple fatalities. One subject with an AR-15 rifle is located in a Navy Yard building – we do not yet know if he is Navy personnel or what the motive is.

I will keep you updated.

Lisa
