Subject: Navy Yard Shooting -- Update

Sir – Here is the latest:

Ray Mabus reports 6 dead and 20 injured; I am working to confirm that number with FBI and law enforcement on scene. One shooter is down, presumed dead, he has been identified as a former Navy Lt. and current GS-13 employee (current place of employment has not been verified – but presumed at the Navy Yard).

3 SWAT teams are currently moving through Building 197 (where the shooter was isolated) to clear it. That process is ongoing. There have been unconfirmed reports of a 2nd shooter in a separate building – but those reports are unconfirmed at this point.
