Phew, ok why don't I lock in 12:30PM to tape?
And I will reach out about the possible drop by at VP's and circle back.

No problem. I can do it anytime, but between noon and 1 may work best.

Also denis and I talked about going to the veeps to talk to republican senators tonight. Can we find out what time we're talking about.

Sir-

There are 2 short videos that folks are hoping you would be willing to tape today - most notably the one for the AFL-CIO convention.

WHCA will be set up in the Library.

Just let me know a preferred time so I can have everyone in place.

Sorry to have to ask you to do this today...shouldn't take long.
