Subject: Update on Paris

P6/b(6)

Sir - here's the latest on Paris:

- The French conducted simultaneous operations at the warehouse north of Paris and at the grocery store in eastern Paris
- All 3 operatives have been killed (the 2 Kouachi brothers who did th attack on Charlie Hebdo, and the gunman at the grocery store).
- All hostages have reportedly been freed though there are some reports of injuries to some in the grocery store.

Will keep you updated as warranted.
