The Bin Laden caper was a huge psyop by contrast - how to score big election points on the cheap.

"The first casualty of war is truth"

Imagine this scenario. A Nevada judge is running for re-election. Coming from a State known for its high "morality" he thinks lying is fine if you can get away with it, especially in a political war zone. He has court police (which we call sheriffs in Canada).

The court police decide to "solve" the most famous vote-getting cold case on the files, say the Zodiac Killer. So they find him on his private yacht-home in deep sea, storm his home, kill him, and quickly dispose of the body. No habeas corpus. No proof.

A stinking piece of Fox fith will swallow the story because they live on excrement and will grovel and slobber for ratings, and fame and money.

What did they find about Student #203 reg in Indonesia? About Big Momma in Kenya saying she witnessed the birth of BO.

Government is broke because we keep putting in office criminals who steal us blind and have no sense how to balance a budget.

He has all of the US government behind him, what are you trying to say he is broke? Or the government is broke?

The differences seen with just 3 layers removed:

Watch this video:

<http://www.youtube.com/watch?v=IgQwgUwIxBw>

All this being said, I tend to agree with Tony Cartalucci in his article, [Obama's Birth Certificate: Not the Issue](#). He points out that

the powers that be, behind the scenes, are really the ones running the show, and they control whoever is in office (at least those who have been in office for the past many decades). It's that corruption that needs to be cleaned up most of all. If Ron Paul were elected, they wouldn't be able to control him.

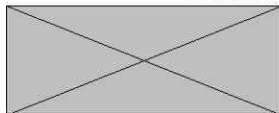

Briefly, here are some of the main evidences that this is a forgery:

Factual Problems

1. No official seal.
2. No footprint.
3. According to the hospital's [website](#), in 1961 that hospital was named Kauaikeolani Children's Hospital. It did not change its name to the Kapiolani Maternity Hospital until it merged with the Kapiolani hospital system in 1978.
4. Dr. Sinclair was working at the Kauaikeolani Children's hospital in 1961.
5. Instead of "African" under father's race, "Colored" or "Negro" would have been used in 1961.
6. Birth certificate of someone born at the same hospital a day later has a lower number.
8. No birth weight.
9. Address for Obama's childhood home is the middle of a highway.
10. Hawaii's Governor until recently claimed there was no birth certificate.
11. His birth name was Barry Saetoro (held through college, e.g. Occidental transcript), and he changed his name to Barack Obama after visiting Pakistan. (Some say he started with the name Barak Obama, then changed to Barry Soetoro, then back to Barak Obama)

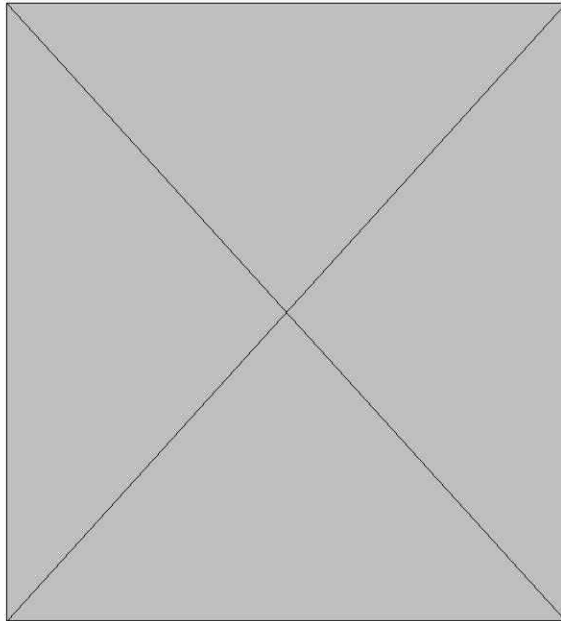

Typesetting Problems

1. The content portion is obviously cropped and laid on top of a new background.
2. Obviously Photoshopped, with layers revealed when the Whitehouse pdf is opened in Adobe Illustrator.
3. There is no "chromatic aberration" around the letters and numbers, which normally shows up in enlarged viewing of color scans. ([Link](#))
4. "41" at to right of document looks suspicious, as the 1 is a different pixilation and doesn't appear to be as "aged" as the digits preceding it.

5. The type for "Caucasian" is too perfect, not possible for a typewriter from 1961.
6. Under hour of birth, the "M." in "P.M." is a different font.
7. The patterned background is too seamless for a document kept in a bound volume.
8. Two mysterious Xs above "twin" and "triplet."
9. Unexplained "8991" on document's right side.
10. Still says "Certificate of Live Birth."
11. Signature of mother and attendant are too similar.

From: Subject: Alex Jones reviews Obama's newly released Birth Certificate
Date: Sat, 30 Apr 2011 09:45:15 +0300

There are so many things wrong with the alleged “long form” of Barak Obama’s birth certificate, that Alex Jones has temporarily concluded that this whole “birther” thing has all been contrived to serve as a distraction or side show from real issues. “They couldn’t possibly think we’re this stupid.”

My response to Alex Jones is, “9/11 is also blatantly obviously an inside job to anyone who looks honestly.” The evidence is too clear that those buildings came down with the help of pre-placed demolition charges.

Americans, to their downfall, have been trained to accept what their government and media tells them to be true is really true. They have a very short attention span and don’t think for themselves or pay attention to important details, but just go along with the mainstream and quickly shut up when made fun of.

Alex has been a bull-dog on 9/11; and he needs to be the bull-dog on the fact that 1) President Barak Obama was not born in the United States, and 2) both his parents were not citizens of the United States thus disqualifying him as a Constitutionally-mandated candidate for that office because he is not a “natural-born citizen”, which means that both parents are U.S. citizens at the time of his/her birth. He is a Constitutional bastard and should be thrown out of office as

illegitimate and a traitor to the Constitution that he swore to uphold. His very act of running showed flagrant disregard to the Constitution.

Indeed, even a cursory glance at the alleged “long form” by even an untrained eye shows a tell-tale sign that it is contrived, not genuine.

Look at the upper left hand corner and down the left side. It is obvious to see that one document has been cropped and overlaid on top of a matching background. At least that much has been doctored – blatantly.

Second, as many have pointed out, when the pdf file from the Whitehouse website is pulled into Adobe Illustrator, it doesn’t pull up as one item, which would be the case if it was truly just scanned in from an original as claimed (jpg file); but several editing “layers” show up, superimposed on top of each other, including doctored numbers, names, signature, etc. JPG pictures don’t have any editable layers, but of course only experts know that, the average computer user knows nothing more than just browsing and viewing.

Thousands of websites have noticed that and are talking about this “sophomoric” level of fraud. With all their spook tricks up their sleeves, you would think they could have done a more convincing job on such an important announcement as this one, which would be so carefully scrutinized.

Here’s a video of Alex Jones pointing these out, along with Rob Dew:

The question Alex Jones asks is “why so blatant?” I think his answer is wrong. He says it must be meant to be a distraction to get people hyperventilating about this – as a decoy from darker issues they should be paying attention to; and that the whole “birther” thing was designed as a decoy all along and actually has no substance.

I don’t think so. Yes, there are plenty of other dark issues that we need to pay attention to; but this is one of them, not just a decoy. I think it is a case of extreme slop by a power structure that is so arrogant in how much lying they’ve been able to get away with, and how easy it is for the American People to buy into their lies.

One of the tell-tale signs that this is intended as a deception is that the usual administration lapdogs, the mainstream media, are not covering this certificate fraud issue. They’re not touching it, despite how obvious it is.

Barak Obama should have never been elected. The fact that he’s been able to get away with it for this long, is as much a travesty as the fact that the conspirators have been able to get away with 9/11, blaming it on al Qaeda, while their purpose was to give reason to go to war, take away our liberties, and wage war on our civil liberties, all in the name of the “war on terror;” when they are in fact the biggest terrorists.

This level of slop should give us hope that they are near the end of their game; and should give us all the more evidence and reason to get rid of the conspirators who have been destroying the economy, suppressing free energy, waging war on civil liberties, and otherwise destroying the planet, all while claiming to be environmentalists.

Ron Paul is another one who needs to come up to speed on this one. He was caught like a deer in the headlights on this issue recently when asked about it, and [the host concluded](#), “so, you’re not a birther.” Come on Ron Paul, surely your staff is more astute than that. They should bring you up to speed on the myriad of facts behind this.

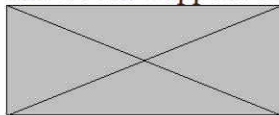

Briefly, here are some of the main evidences that this is a forgery:

5. Instead of “African” under father’s race, “Colored” or “Negro” would have been used in 1961.

7. The “Date Accepted” is four days later than “Date of Birth.”
8. No birth weight.
9. Address for Obama’s childhood home is the middle of a highway.
10. Hawaii’s Governor until recently claimed there was no birth certificate.
11. His birth name was Barry Soetoro (held through college, e.g. Occidental transcript), and he changed his name to Barack Obama after visiting Pakistan. (Some say he started with the name Barak Obama, then changed to Barry Soetoro, then back to Barak Obama)

The reason for the burial at sea is to hide the fact that Osama Bin Laden actually died in late 2001 and they were keeping his legend alive for propaganda purposes.

The only people who love OBL are the Zionists because he was their agent, especially, Zbigniew Brzezinski, the Polish Zionist.

PRESIDENT OBAMA ANNOUNCES: BIN LADEN STILL DEAD AGAIN (updated videos-photos)

<http://www.veteranstoday.com/2011/05/01/president-obama-announces-bin-laden-still-dead/>

1. 1. My Letterman imitation of the top 10 reasons for Bin Laden's death announcement:

10. They ran out of Bin Laden look-alikes to use in fake videos

9. People stopped believing that a cave-dweller on a dialysis machine was still alive after 10 years

8. People discovered the Frost/Bhutto interview on YouTube where she confirmed that Bin Laden was dead already, back in 2004 – probably died in December 2001
7. They want to be able to say something was achieved for the TRILLIONS spent on wars over the last 10 years and the thousands of innocent civilian lives
6. They need a distraction from the upcoming Gaza Flotilla and from the upcoming vote in the UN on Palestinian sovereignty, and the Move-Over-AIPAC conference this month
5. They need us to remain terrified of the upcoming retaliation for Bin Laden's death to justify the continuance of the TSA's "Grope or Fry" policy
4. They need a distraction from the birth certificate controversy
3. They need a distraction from the murders of Ghadafi's son and grandchildren
2. They need a ploy to remake Obama as a hero to the "USA! USA!" crowd and get him re-elected
1. They need an excuse to pull troops out of Afghanistan to deploy elsewhere and take us into war once more – probably Syria/Iran

"KILLED IN PAKISTAN – BURIED AT SEA"

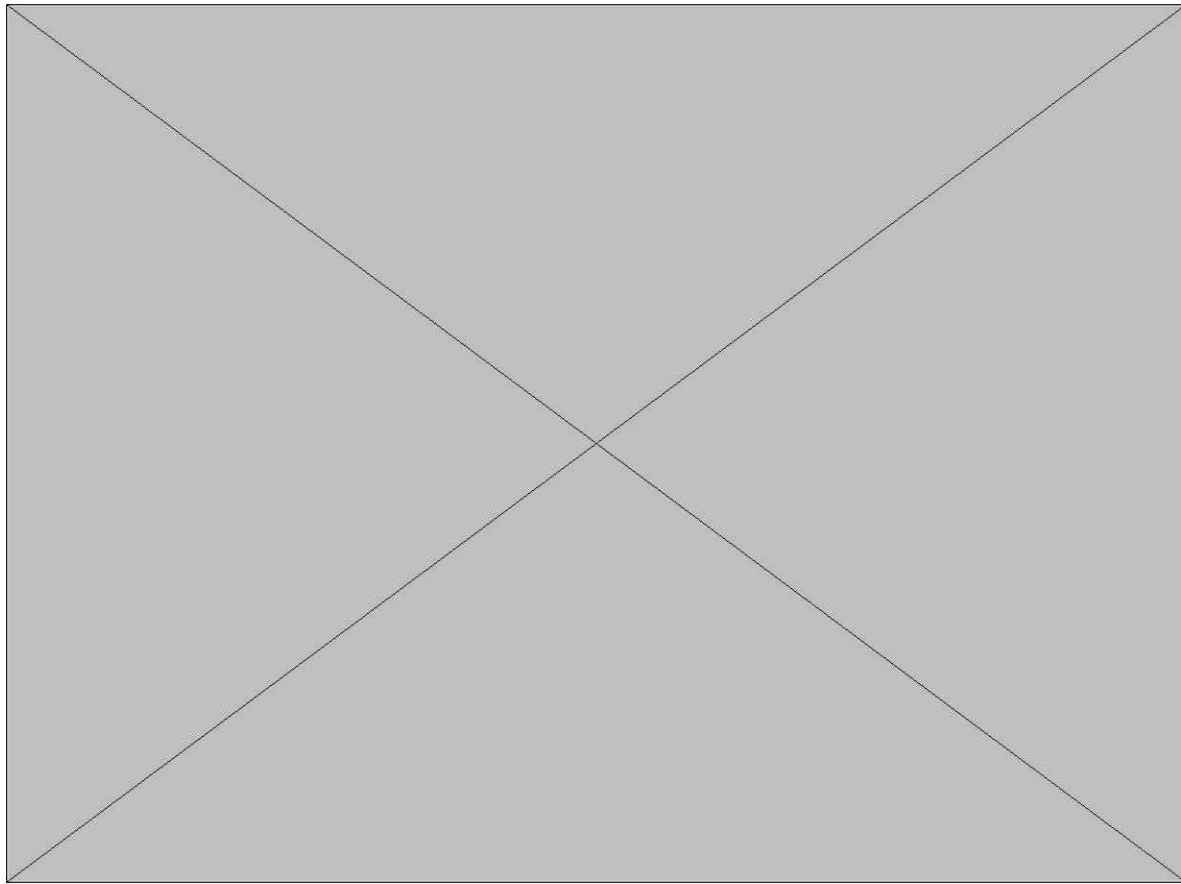

NATIONAL VICTORY OR CHILDISH SNAKE OIL TO AID THE 9/11 COVERUP AND BOOST OBAMA POLLS?

By Gordon Duff STAFF WRITER/Senior Editor

Latest: Operational order: "Bin laden" to be killed – not captured under ANY CIRCUMSTANCES, "not in recent contact with Al Qaeda"...US helicopter crashes due to mechanical failure during operation....Pakistan military silent (we phoned).....skepticism in some regions soaring.....("He must have been in US custody all along"...."Did they kill one of the phony 'bin Ladens?'"")

We got our first reports of bin Laden's death "yesterday" about a week ago. Reports outlining his trek to Pakistan began dotting the internet and news services. We began to "smell" something "cooking."

As to reports made today and the President's speech, we are highly skeptical. Issues of "timing," citing the release of Obama's birth certificate and the crushing of top contender Donald Trump could be seen as sources for doubt but coincidence and circumstance can go either way, any way or no way at all.

Were bin Laden to have successfully faked his own death (as most “in the know” have long believed bin Laden dead) his actual death, if this is the case, is not the death of a terrorist leader at all.

[YouTube - Veterans Today -](#)

In fact, bin Laden is as much a “patsy” as Sirhan Sirhan, James Ray or Lee Oswald. There is reliable proof about bin Laden. It says he was always CIA.

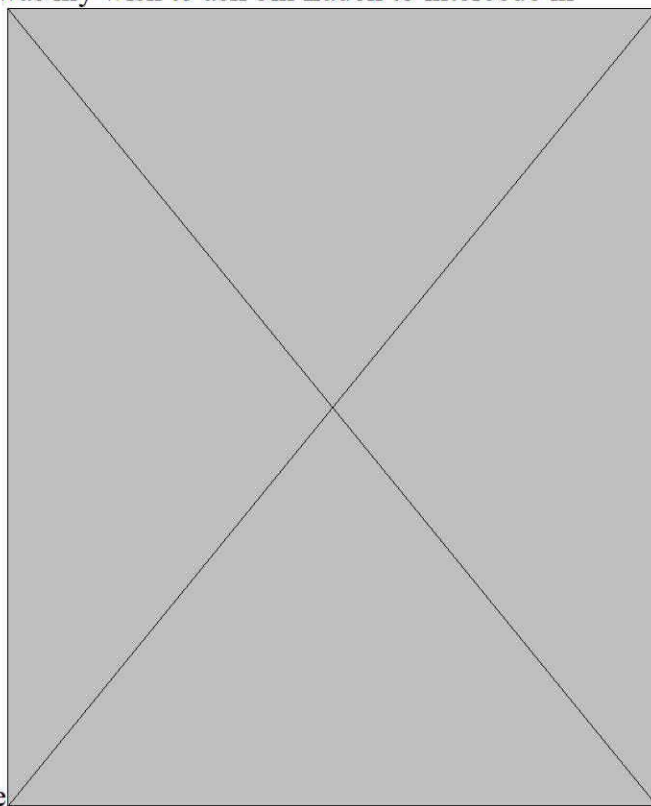

Tonight, President Obama and network pundits, Wolf Blitzer and Geraldo
Geraldo trumpeted the killing of the “mass murderer of
all time.”

Bin Laden had been my “great white whale” for some time also. Several
years ago, I contacted friends in Pakistan known to have

access to those who might be able to locate bin Laden.
It was my wish to ask bin Laden to intercede in

the
release of a captured American and I was willing to
travel into Afghanistan or the Pakistan tribal areas,
unarmed and alone to do so.

Ski Lodges outside Abbotabad, Pakistan (photo by G. Duff)

Yes, I am an idiot.

The response I got was that bin Laden had died years ago. This fact, now, if I am to believe what I am told, is not a fact at all. However, this fact led me on a journey to review the 9/11 attacks. That journey led me to Building 7 and the Pentagon. It also led me to others, some wildly inept and unreliable and others, discerning and capable.

TONITE

Tonite I saw those I find less than credible using wild and speculative words as fact, tying bin Laden to 9/11, something no court, no intelligence agency, no law enforcement group ever did.

Tonite I heard many things I knew were untrue to help sell the import of bin Laden's death, a death reported long ago by Benazir Bhutto.

While accusations about bin Laden are bandied about, this surviving CIA transcript, the last verified words from a decade ago, tell another story:

Website of Doha Al-Jazirah Satellite Channel Television in Arabic [FBIS Report] Website of Doha Al-Jazirah Satellite Channel Television in Arabic, independent television station financed by the Qatari Government, which can be accessed at URL: <http://www.aljazeera.net>, carries at 2011 GMT on 24 September the text of the following letter by Usama Bin Ladin "to the Pakistani people."

- * "We hope that these brothers would be the first martyrs in Islam's battle in this age against the new Jewish crusade that is being led by the biggest crusader, Bush, under the banner of the cross. This battle is one of Islam's immortal battles."
- * "We beseech God to grant him victory against the forces of infidelity and arrogance, and to crush the new crusader-Jewish campaign on the land of Pakistan and Afghanistan."
- * "I have already said that I am not involved in the 11 September attacks in the United States."
- * "Neither I had any knowledge of these attacks nor I consider the killing of innocent women, children, and other humans as an appreciable act. . Islam strictly forbids causing harm to innocent women, children, and other people. Such a practice is forbidden ever in the course of a battle."
- * "All that is going on in Palestine for the last 11 months is sufficient to call the wrath of God upon the United States and Israel."
- * "Whoever committed the act of 11 September are not the friends of the American people. I have already said that we are against the American system, not against its people, whereas in these attacks, the common American people have been

killed. According to my information, the death toll is much higher than what the US Government has stated.

- * “The United States should try to trace the perpetrators of these attacks within itself; the people who are a part of the US system, but are dissenting against it. Or those who are working for some other system; persons who want to make the present century as a century of conflict between Islam and Christianity so that their own civilization, nation, country, or ideology could survive.”
- * “They can be any one, from Russia to Israel and from India to Serbia.”
- * “Then you cannot forget the American Jews, who are annoyed with President Bush ever since the elections in Florida and want to avenge him.”
- * “Then there are intelligence agencies in the US, which require billions of dollars worth of funds from the Congress and the government every year. This [funding issue] was not a big problem till the existence of the former Soviet Union but after that the budget of these **(FOR OFFICIAL USE ONLY 180)**
- * agencies has been in danger. They needed an enemy. So, they first started propaganda against Usama and Taliban and then this incident happened.”
- * “Drug smugglers from all over the world are in contact with the US secret agencies. These agencies do not want to eradicate narcotics cultivation and trafficking because their importance will be diminished. The people in the US Drug Enforcement Department are encouraging drug trade so that they could show performance and get millions of dollars worth of budget. General Noriega was made a drug baron by the CIA and, in need, he was made a scapegoat.”
- * “President Bush or any other US President, they cannot bring Israel to justice for its human rights abuses or to hold it accountable for such crimes. What is this? Is it not that there exists a government within the government in the United States? That secret government must be asked as to who made the attacks.”

- * “Supporting the US act is the need of some Muslim countries and the compulsion of others. However, they should think as to what will remain of their religious and moral position if they support the attack of the Christians and the Jews on a Muslim country like Afghanistan.”
- * “I have already said that we are not hostile to the United States. We are against the system, which makes other nations slaves of the United States, or forces them to mortgage their political and economic freedom.”
- * “This system is totally in control of the American Jews, whose first priority is Israel, not the United States. It is simply that the American people are themselves the slaves of the Jews and are forced to live according to the principles and laws laid by them. So, the punishment should reach Israel.”
- * ”The Western media is unleashing such a baseless propaganda, which make us surprise but it reflects on what is in their hearts and gradually they themselves become captive of this propaganda. They become afraid of it and begin to cause harm to themselves.”
- * “Terror is the most dreaded weapon in modern age and the Western media is mercilessly using it against its own people. It can add fear and helplessness in the psyche of the people of Europe and the United States. It means that what the enemies of the United States cannot do, its media is doing that. You can understand as to what will be the performance of the nation in a war, which suffers from fear and helplessness.”

During the anti-Soviet jihad Bin Laden and his fighters received American and Saudi funding. Some analysts believe Bin Laden himself had security training from the CIA.^[3]

- * In a 2006 *In-Depth* piece on Osama Bin Laden, the [Canadian Broadcasting Corporation](#) published that,^[4]

Bin Laden apparently received training from the CIA, which was backing the Afghan holy warriors – the mujahedeen – who were tying down Soviet forces in Afghanistan.

- * An article in [Der Spiegel](#), in 2007, entitled “Arming the Middle East”, Siegesmund von Ilseman called Bin Laden “one of the CIA’s best weapons customers.”^[5]
- * According to author Steve Coll,

Overall, the U.S. government looked favorably on the Arab recruitment drives. ... Some of the most ardent cold warriors at [CIA headquarters at] Langley thought this program should be formally endorsed and extended. ... [T]he CIA “examined ways to increase their participation, perhaps in the form of some sort of international brigade” ... Robert Gates [then-head of the

CIA's Directorate of Intelligence] recalled. ... At the [CIA's] Islamabad station [station chief] [Milt Bearden](#) felt that bin Laden himself “actually did some very good things” by putting money into Afghanistan.^[6]

- * [Robin Cook](#), [Foreign Secretary](#) in the UK from 1997–2001, and [Leader of the House of Commons](#) and [Lord President of the Council](#) from 2001-2003, believed the CIA had provided arms to the Arab Mujahideen, including Osama bin Laden, writing, “Bin Laden was, though, a product of a monumental miscalculation by western security agencies. Throughout the 80s he was armed by the CIA and funded by the Saudis to wage jihad against the Russian occupation of Afghanistan.”^[7]
- * In conversation with former British [Defence Secretary Michael Portillo](#), two-time Prime Minister of Pakistan [Benazir Bhutto](#) said Osama bin Laden was initially pro-American.^[8] Prince [Bandar bin Sultan](#) of [Saudi Arabia](#), has also stated that bin Laden appreciated the United States help in Afghanistan. On CNN’s [Larry King](#) program he said:^[9]

Bandar bin Sultan: This is ironic. In the mid-’80s, if you remember, we and the United – Saudi Arabia and the United States were supporting the Mujahideen to liberate Afghanistan from the Soviets. He [Osama bin Laden] came to thank me for my efforts to bring the Americans, our friends, to help us against the atheists, he said the communists. Isn’t it ironic?

Larry King: How ironic. In other words, he came to thank you for helping bring America to help him.

- * According to Iranian state-owned [Press TV](#), [FBI](#) translator [Sibel Edmonds](#), who has been fired from the agency for disclosing sensitive information, has claimed the [United States](#) was on intimate terms with the [Taliban](#) and [Al-Qaeda](#), using them to further certain goals in [Central Asia](#).^[10]
- * According to author David N. Gibbs “a considerable body of circumstantial evidence

suggests ... direct Agency support for Bin Laden's activities.”^[11] Both Bin Laden and the CIA “held accounts in the Bank for Credit and Commerce International (BCCI).”^[11] “Bin Laden worked especially closely with [Gulbuddin Hekmatyar](#)”^[12] who Gibbs calls “the [CIA](#)’s favored Mujahiddin commander”.^[11] Gibbs quotes [Le Monde](#) as saying bin Laden was “recruited by the CIA” in 1979,^{[11][13]} Associated Press as saying a former bin Laden aide told them that in 1989 the U.S. shipped high-powered sniper rifles to a Mujahiddin faction that included bin Laden,^{[11][14]} and [Jane’s Intelligence Review](#) as stating Bin Laden “worked in close association with U.S. agents” in raising money for the Mujahiddin from “vast family connections” near the Pakistan-Afghanistan border.^{[11][15]}

- * In August 2010, [Fidel Castro](#) claimed that bin Laden was a spy, employed by the United States.^[16]

Osama bin Laden: A dead nemesis perpetuated by the US government

Tags:

- [COVER-UP/DECEPTIONS/PROPAGANDA](#)

Bin Laden's voice was detected regularly until [14 December 2001] by intelligence operatives monitoring radio transmissions in Tora Bora, according to the Pentagon [[details](#)]. Since then, nothing has been heard from the al-Qa'eda leader and President Bush has hinted in private that bin Laden's silence could mean he has been killed. [[Telegraph, 12/28/2001](#)]

Webmaster's Commentary:

Obama's announcement of Bin Laden's death is a desperation ploy either to start WW3, distract from the crashing economy, or simply to revive his failing chances at a second term. In any event, Obama is full of crap claiming credit for "getting" Bin Laden when he has in fact been dead for almost ten years.

But for the moment, let us stipulate that Osama Bin Laden *is* dead and when it happened does not matter. IF TRUE IT IS TIME TO END ALL THESE WARS AND BRING ALL OUR KIDS HOME NOW!

Photo of dead 'Osama' reported to be found on website from last December???????????

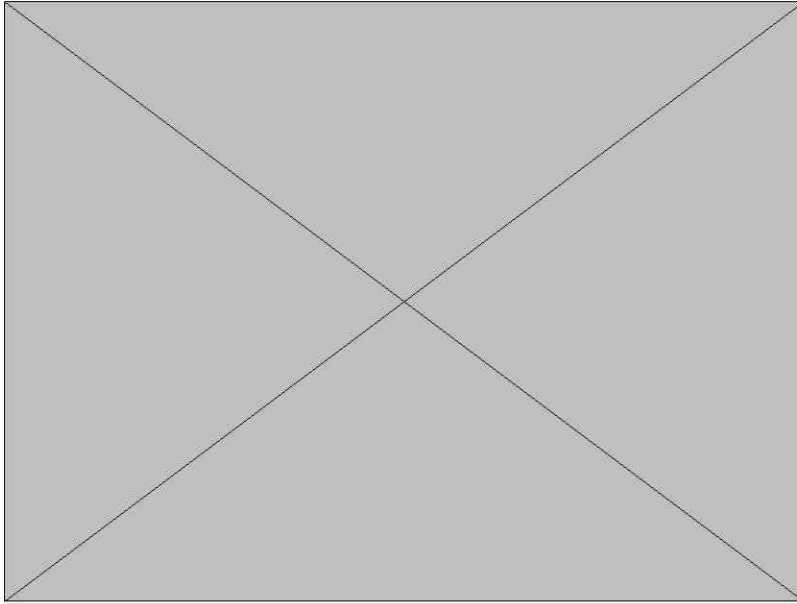

Tags:

- [COVER-UP/DECEPTIONS/PROPAGANDA](#)

Webmaster's Commentary:

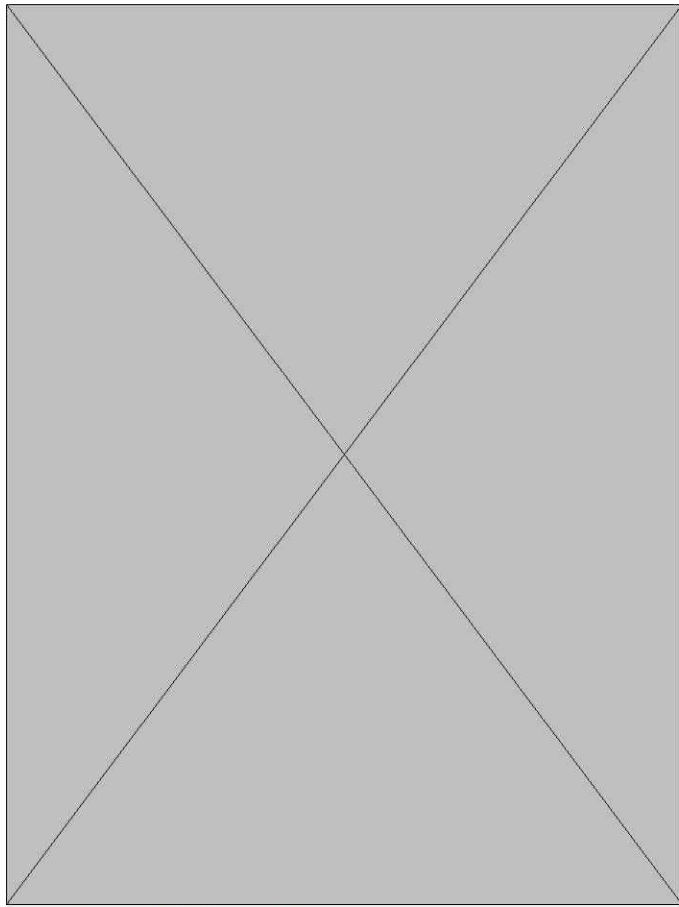

Well, I am no expert, but it looks to me from the date stamps on this web page like the picture blasted all over Pakistan TV of the 'Osama' that was killed today ...

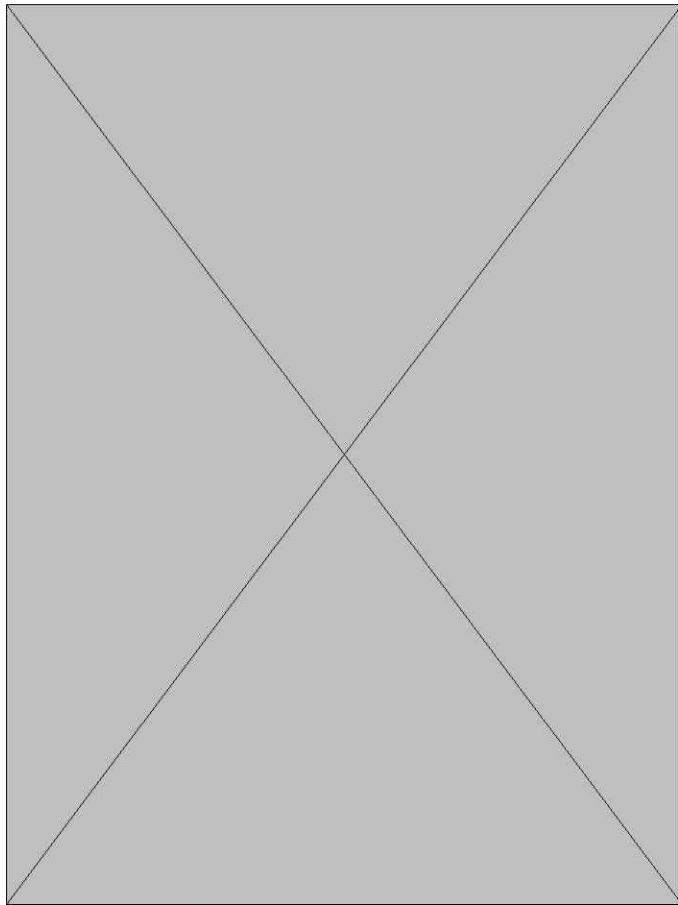

... might be a photo that was floating around the internet for the last few months!

And it appears to be photoshopped!

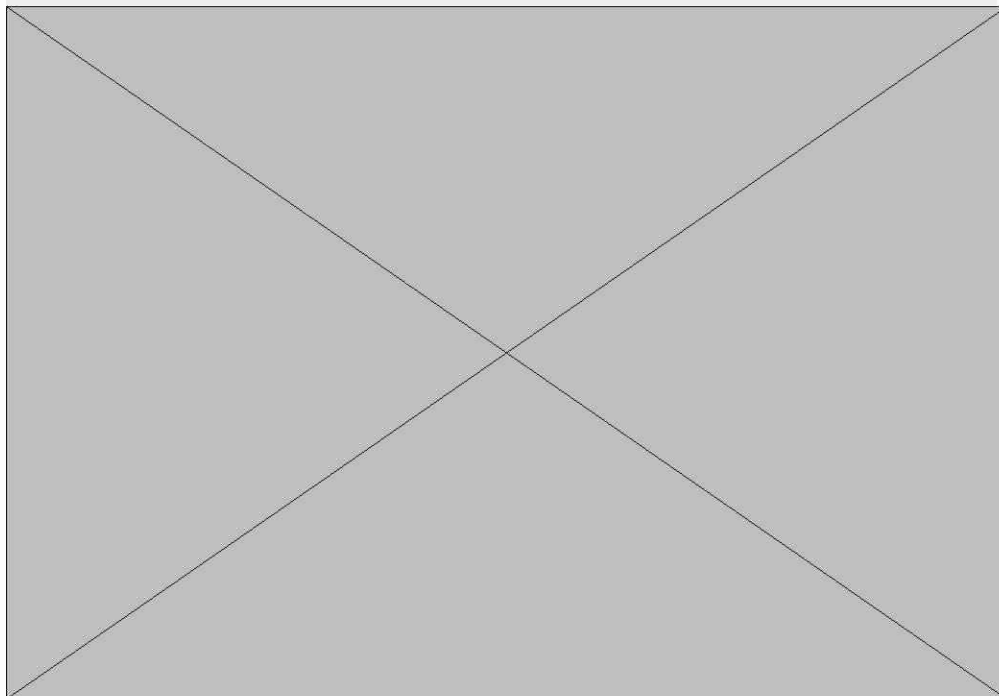

Here is the real Osama from about 15 years ago.

Now flip it left to right...

And compare the lower half with today's photo of the dead 'Osama'!

There are other signs of photoshop as well, such as blurred edges on the

beard and an obvious difference in sharpness between the eyes and the mouth, It looks like someone took a dead body and pasted the real Obama's mouth onto it to make it look more like him.

Did Obama just fall for a dirty trick by Pakistan's ISI? Inquiring minds want to know! :)

Pakistani TV broadcasts image of 'bin Laden face'

Tags:

- [COVER-UP/DECEPTIONS/PROPAGANDA](#)

"The picture of Osama bin Laden's dead body has been released. It is unverified," said the commentator on Pakistan's largest TV network, Geo.

Other channels also showed the image of a face, which sported a bushy and black beard without any visible traces of the white or grey detected in the most recent video footage of bin Laden when he was alive.

Webmaster's Commentary:

Obviously, others are starting to doubt that this is really Bin Laden.

Pakistani Urdu TV channel Geo News quoted Pakistani intelligence officials as saying that the world's most wanted terrorist Osama Bin Laden was killed in a search operation launched by the Pakistani forces after a Pakistani army helicopter was shot down in the wee hours of Monday in Abbotabad, a mountainous town located some 60 kilometers north of Pakistan's capital city of Islamabad.

At about 1:20 a.m. local time a Pakistani helicopter was shot down by unknown people in the Sikandarabad area of Abbotabad. The Pakistani forces launched a search operation in the nearby area and encountered with a group of unknown armed people. A fire exchange followed between the two sides.

Webmaster's Commentary:

So much for the Obama CIA operation targeting bin Laden.

THIS IS WHAT OBAMA CLAIMS TO BE BIN LADEN'S BODY.

Webmaster's Commentary:

Pictures of the real bin laden 2000-2001. Now compare to the photo above and it is clear that the shape of the skull and nose is wrong, and the amount of white in the beard is considerably less than the real Bin Laden. The real Bin Laden was on dialysis ten years ago. This guy's skin does not look like that of a person dealing with chronic renal failure. The White House is claiming they have a DNA test to confirm the above dead guy, killed earlier today, is Bin Laden, but a [DNA test for identity takes a minimum of 48 hours in a lab.](#)

"The truth is, there is no Islamic army or terrorist group called Al Qaida. And any informed intelligence officer knows this. FLASHBACK FOX NEWS REPORTED BIN LADEN DEAD IN 2001

Tags:

- [COVER-UP/DECEPTIONS/PROPAGANDA](#)

Usama bin Laden has died a peaceful death due to an untreated lung complication, the Pakistan Observer reported, citing a

Taliban leader who allegedly attended the funeral of the Al Qaeda leader.

"The Coalition troops are engaged in a mad search operation but they would never be able to fulfill their cherished goal of getting Usama alive or dead," the source said.

Bin Laden, according to the source, was suffering from a serious lung complication and succumbed to the disease in mid-December, in the vicinity of the Tora Bora mountains. The source claimed that bin Laden was laid to rest honorably in his last abode and his grave was made as per his Wahabi belief.

Editor's Note: UPDATE -- I thought it might have been April 1st, not May 1st when I heard the announcement from Geraldo Rivera but, yes, Osama bin Laden is finally -- officially -- dead. The article below reveals what a newsflash this really is.

Keith Johnson
Revolt of the Plebs

The next time the CIA comes up with another Osama bin Laden videotape, you might want to compare their images of the alleged

al-Qaeda leader to the photograph I've provided here. If he looks any healthier than that, then you're probably looking at an imposter.

Yeah, Osama has definitely seen better days. But give the guy a break, huh? You wouldn't look much better if you'd been dead for nine years.

Oh, by the way, in case you've just joined us? Osama bin Laden is dead.
