Subject: RE: Presidential Medal of Freedom Information

Hi Caroline – would this guest just be attending the walkthrough or staying for the full event?

Hi Dory— Here is my question! Lorne is wondering if he can bring someone for his walk-thru who is NOT one of the 5 guests he is bringing to the ceremony. Is that possible?

Subject: RE: Presidential Medal of Freedom Information

Hello Caroline,

We received confirmation for the timing of the Medal of Freedom ceremony on November 22nd, so I wanted to pass along further arrival instructions/next steps:

Arrival Instructions

- Medalists should arrive to the Southeast Gates (15th and Alexander Hamilton Place NW – map is attached) at 11:45AM. We are asking medalists to come early so we can do a walkthrough of the ceremony. Mr. Michaels is permitted to bring ONE guest with him at this time if he'd like to have someone with him.
- Remaining guests can arrive at the Southeast Gates (15th and Alexander Hamilton Place NW) at 1:00PM. As a reminder, medalists are allowed to have up to 5 guests with them.

Information to Collect

- Could you please send over the following information by Wednesday evening:
 - o Security information for Mr. Michaels and his guests using the attached spreadsheet.
 - o The names of the guests Mr. Michaels would like in his group photo with the President and First Lady. Mr. Michaels is not required to have guests in his photo.
 - o The name and phone number of the best POC to contact Mr. Michael's guests, in case we have trouble finding them when they arrive at 1:00PM.

Thank you again for all of your help. We look forward to having Lorne join us for this exciting day and please don't hesitate to reach out with any questions you may have.

Henock

Hi Caroline,

I'm sorry for the difficulties, but we don't have the exact timing yet. I hope this doesn't complicate planning on your end too much! I'll circle back with timing as soon as I receive an update.

Thank you,

Henock

Hi Dory,

I know this may be still being worked out, but just wondering whether you might have any sense of timing yet?
