Waves Request System (WRS) Excel Template

Version: **1.8.9**

Last Updated: 19 March 2011

WRS Instructions:

1. The WRS Excel template must be saved as an 'Excel 97-2003 Workbook'
2. The WRS Excel template file must end with .xls (not .xlsx)
3. **The header row must remain in place and unchanged**
4. The **Visitors worksheet name must remain unchanged** (do not rename the worksheet)
5. The maximum number of visitors per appointment is **250**
6. Do not use any periods, apostrophes or other special characters

Tips:

Pasting data from other spreadsheets may cause errors. Be sure to check that your data has been pasted into the correct columns and that numbers are not missing (example: pasting an SSN starting with a zero may result in the zero being dropped which would result in an error). Use the Format Cells feature to fix any problem data cells prior to loading the file into WRS (example: set the SSN column to 'TEXT' to ensure you keep any leading zeros in the SSN)

Data Fields

1. **Last_Name:** Use letters only (no numbers or special

characters). Max characters is 20

2. **First_Name:** User letters only (no numbers or special characters). Max characters is 20

3. **Middle_Name:** Provide the full middle name. Use letters only (no numbers or special characters). Max characters is 20

4. **DOB:** DOB format is MM/DD/YYYY (no letters)

5. **SSN:** SSN is required for all U.S. Citizens over the age of 18. Foreign Nationals may leave the SSN blank. (no letters or special characters) Do not use any dashes in the SSN

6. **Citizen:** Select Y for YES or N for NO to indicate if the visitor is or is not a U.S. Citizen

7. **Country:** Country of Birth. Use the 'Countries' worksheet to find the Country Code for the Country of Birth for the visitor. You must use the country codes provided in the 'Countries' worksheet. Select the code from the drop-down list.

8. **Gender:** Select M for Male or F for Female

9. **City:** City of Residence - For visitors who reside in the United States enter the primary city of residence. For visitors who reside outside of the United States enter the city where they are residing during their visit. (no numbers or special characters)

10. **State:** State of Residence - For visitors who reside in the United States enter the primary state of residence. For visitors who reside outside of the United States enter the state where they are residing during their visit. Use the 'States' worksheet to locate the appropriate two-letter State Code. Select the code from the drop-down list.
