Subject: One of the best TED2009 talks went live today

[redacted]

An idea worth spreading: Barry Schwartz' passionate plea for practical wisdom, a standing ovation talk fresh from TED2009. View. Digg.

(Not to mention Bill Gates, Elizabeth Gilbert, demo of spatially-aware tiles and pictures of TED2009.)

Please look out for more remarkable talks from TED2009 posting tomorrow and throughout the week.

Thank you.

- Chris Anderson, TED Curator.
