The Honorable Barack Obama
The White House
1600 Pennsylvania Avenue, N.W.
Washington, D.C. 20500

Dear President Obama:

I want to extend my deepest thanks for the Administration's recent pledge to seek increased funding for the Global Alliance for Vaccination and Immunization (GAVI).

As you know, the U.S. pledge helped GAVI raise a total of \$4.34 billion for vaccines—a tremendous success at a time of such widespread fiscal challenges.

Because of the generous contributions from the United States and others, for the first time in history, children in the poorest parts of the world will have access to the same life-saving vaccines available to children in wealthy nations: This is a very significant milestone in global health.

I am very grateful for your support for GAVI and its mission. I look forward to our continued partnership in meeting a wide range of global health and development challenges.

Sincerely,

Bill

Bill Gates

P.S. I can't express enough how important
this is - your leadership on this made a
huge difference.
