Dear Mr. President:

It was an honor to have lunch with you. Thank you for sharing your time with me.

I appreciated hearing your thoughts on the challenges the U.S. faces both around the globe, and here at home, and how our government can lead the way in addressing these challenges. I also appreciated discussing the foundation's work with the federal government on the Ebola epidemic response in West Africa and on polio eradication efforts. I am grateful for the administration's leadership on these issues, and to you personally for all that you are doing to advance this important work.

Melinda and I are grateful for your continued focus and commitment to creating a safer, healthier, and more equitable world.

Sincerely,

Bill
