**Subject:** RE: Wednesday

Tomorrow's schedule is still a moving target. I don't know yet what the morning will come to look like but please be prepared for a possible departure prior to 11:10 am. The reason for this change is that the President has called a meeting from 3:00 – 6:00 pm tomorrow afternoon that the VP must get back to the White House to participate in. This will require the VP to speak at the top of the program (as close to 1:00 pm as possible), and then depart immediately upon the conclusion of his remarks. Because he is departing the homecoming event early, he wants to arrive earlier.

P6/b(6)

I will provide additional updates as the schedule comes together. In the meantime, please let me know if this changes your plans and as always, don't hesitate to get in touch with any questions or concerns.
