Subject: New Email Address

P6/b(6)

The International Trade Administration has converted to a new email system and all users have been given new addresses. My new email address is keith.roth@trade.gov. Any old email address you have for me in your contact lists should be updated. Old addresses ending in @ita.doc.gov or @mail.doc.gov will expire by 2011 so you have some time but it is best to update your contacts early.

Thanks,
Keith
