#### **Scope and Content**

The materials in FOIA 22-16578-F are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 22-16578-F requested all outtakes and rushes of President Obama taking questions from Facebook users in a Town Hall from Facebook's headquarters in

Palo Alto, California, on April 20, 2011. Portions of the requested video were used in President Obama's "West Wing Week: 4/22/11", including footage showing Sheryl Sandberg and Mark Zuckerberg.

This FOIA primarily contains footage from the Obama Administration Material series shot by the White House videographer of the travel to Palo Alto and at the Palo Alto Facebook event on April 20, 2011; the White House TV footage of the Town Hall event; and the recorded CSPAN coverage of the Town Hall event.

### **System of Arrangement**

The materials in FOIA 22-16578-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Records responsive to this FOIA were found in these collection areas – White House Communications Agency

White House Communications Agency records are processed at the folder/videotape level. While this method maintains folder/videotape integrity, it frequently results in the incidental processing of videotapes that are not wholly responsive to the subject area.
