Part II: Gifts, Reimbursements, and Travel Expenses

For you, your spouse and dependent children, report the source, a brief description, and the value of: (1) gifts (such as tangible items, transportation, lodging, food, or entertainment) received from one source totaling more than \$350 and (2) travel-related cash reimbursements received from one source totaling more than \$350. For conflicts analysis, it is helpful to indicate a basis for receipt, such as personal friend, agency approval under 5 U.S.C. § 4111 or other statutory authority, etc. For travel-related gifts and reimbursements, include travel tinerary, dates, and the nature of expenses provided. Exclude anything given to you by

the U.S. Government; given to your agency in connection with official travel; received from relatives; received by your spouse or dependent child totally independent of their relationship to you; or provided as personal hospitality at the donor's residence. Also, for purposes of aggregating gifts to determine the total value from one source, exclude items worth \$140 or less. See instructions for other exclusions.

OTHER:

Filer reported an ownership interest in Yahoo stock with a value of \$1,001-\$15,00 on his CY 2014 Form 278. He purchased the stock approximately fifteen years ago. Prior to CY 2014, the value of Yahoo stock had never exceed \$1000 and therefore, the filer never reported it on his Form 278. Filer did not report Yahoo stock on his termination Form 278. Assumption is that this is because the value of the stock had declined below \$1001 at the time of the reporting and he did not earn dividends of more than

\$201. Unable to confirm with filer.
