Southeast Entrance

The first part of the book is devoted to a description of the various types of music which are now being composed and performed in the United States. The author discusses the influence of the various nationalities upon the development of the American musical style, and the part which has been played by the various schools of thought which have arisen in the past few years. The book is written in a clear and concise manner, and is well illustrated with numerous examples of musical notation and illustrations of the various instruments and styles of music mentioned.
